

MUSIC PROGRAMME

Otley Coffee Festival loves supporting great local musicians. Take a break from coffee conversations and browsing and listen to our music programme.

11:15 *New Folder*

A collaboration between two of Otley's finest singer/songwriters: Matthew Sturgess (aka The Silver Reserve) and Tim Marshall. Matthew and Tim have contrasting songwriting styles, but their brilliant guitar work and strong harmonies pervade every song they perform together.

12:45 *Malcolm Connel*

Malcolm is a Scotsman who has made Otley his home. He has a wonderful, powerful voice and performs primarily in a traditional folk style, including both self-penned songs and covers in his set. Malcolm recently released his first album entitled "The Spaces in Between".

14:15 *Gowan*

An acoustic duo featuring songwriter, guitarist and music producer Graeme Matthews and vocalist Astrid Copeland. They perform a mixture of self-penned songs and familiar covers over Graeme's carefully crafted musical soundscapes.
