

TALKS PROGRAMME

Exploring the theme of The World in Your Cup, this year we have talks about sustainability from across the globe.

10:30 *Farmers' Voice Radio*

Supporting Innovation in East African Coffee Farming

Farmers' Voice Radio enables farming communities to access and share the knowledge they need to succeed. Radio is the most affordable and accessible media in developing countries: it is trusted, inclusive and has a rapid, wide reach.

12:00 *Dark Woods Coffee*

Choosing Coffee to Support Sustainable Practice

Find out what it means to be a B-Corp business, a Great Taste Producer, and how all Dark Woods coffees are carefully sourced, roasted and packaged by hand, with direct, long-term relationships with producer partners. Discover how Dark Woods supports local community projects, and those in the coffee-growing communities.

13:30 *Otley 2030*

How local communities can benefit from sustainable practice

Otley 2030 is a charity committed to responding to the climate crisis in ways that promote social justice.

15:00 *Festival Conversation*

On- & off-stage chat

Coffee, festival and sustainability conversation, hosted by Richard, the Festival Director.
